State of North Carolina
Cumberland County

To the worshipful County Court of Cumberland in obedience to the annexed order I have taken the list of taxables in the Neills Creek district with all possible care making allowance for age and a late spell of sickness which caused me to be doubtful about a few names w[h]ether they are correct and if your worships will only say to the Clerk that should I discover any errors after enquiry that we may amend between this and the next County Court it will give me my mind more ease. I am with all and every respect that is due your worships obt. servt. &c.
