## Introduction

The following transcription of the 1880 Federal Census of Grove Township, Harnett County, North Carolina was made from National Archives microfilm T9, Roll 967. Copies of this microfilm can be found at the the National Archives, Washington, DC; the North Carolina State Library, Raleigh, NC; the North Carolina State Archives, Raleigh, NC; LDS Family History Centers; [www.ancestry.com](http://www.ancestry.com); [www.familysearch.org](http://www.familysearch.org); or at many university and public libraries. The compiler assumes no responsibility for the accuracy of his transcription of names or other data. When discrepancies appear, the user should always consult the original census records.

The 1880 Federal Census of Harnett County, North Carolina shows that there were 161 households in Grove Township containing a total population of 897 persons. In comparison, the total population of Harnett County for the year 1880 was 10,862 persons. Of that number, 5,362 citizens were male and 5,500 were female. In 1880, Harnett County had 7,092 white residents and 3,770 black residents. Harnett County was largely an agricultural county in the Nineteenth century. The 1880 Federal Census shows that there were 1,450 farms in the county. For the year ending June 1, 1880, those farms had produced 180,458 bushels of Indian Corn, 7,640 bushels of oats, 1,257 bushels of rye, 10,957 bushels of wheat, \$7,048 in orchard products, 38 tons of hay, 830 pounds of rice, 3,627 bales of cotton, 1,286 bushels of Irish potatoes, 96,118 bushels of sweet potatoes, and 9,510 pounds of tobacco. The assessed valuation of real estate in Harnett County for that year was \$557,516, and the value of personal property was \$284,831.
